elegant reception for 10,000, we'll exceed your highest expectations.

Our three lavish ballrooms are equipped with the most modern audiovisual and lighting systems available. AJ Toppers on the twenty-first floor offers panoramic views of the San Francisco Bay and provides a breathtaking environment for intimate affairs. For spectacular trades shows, business, or social events, both the Calvin Simmons and the Emelyn K. Jewett Ballrooms combine beauty and function. Each have high ceilings, no pillars to impede traffic flow and view, and the flexibility of dividing into smaller meeting rooms. Access to large pre-function foyers provides gracious settings for guest registration, receptions, intermissions, and before dinner cocktails.

Smaller groups of 10 to 50 will enjoy the same Marriott award-winning service that larger groups receive. Our break-out rooms provide optimum service, privacy, and efficiency and were designed to maximize the success of your meeting.

Our four Boardroom Suites are appropriate for executive meetings, planning sessions, and small workshops while our Hospitality Suites are perfect for entertaining up to 24 guests.

The Oakland Marriott's presidential suite affords the ultimate in comfort and luxury and is ideally suited for CEOs, celebrities, VIPs and Heads of State, including former President, Bill Clinton.
